

## CRINKLE FINISH

Smooth to the touch, ABC's crinkle finish coating features a unique textured appearance that redirects light for enhanced visual depth to help any metal building project stand out. Formulated with enhanced silicone polyester, this durable finish provides superior weatherability to resist paint chalking, fading and scratching—thereby extending the life of the product.

### PRODUCT DETAILS

<b>Gauge</b> 29	<b>Paint System</b> Signature® 200
<b>Substrate</b> Galvalume	<b>Warranty</b> 40-Year Film Integrity

### Final color selection should be made from metal color chips.

- Colors shown are close representations, and are limited by the textured nature of the product.
- Colors are not interchangeable with other ABC colors with the same or similar names.
- Crinkle Finish is available in select locations. Contact your ABC rep for more details.
- Trim is available in all colors.
